Business & Computers

“I’ve really enjoyed the online business classes. The faculty support has been really responsive, whether it’s via email, or Zoom, or text, they get back to you really quickly. The flexibility of online classes is great because I work 12-hour shifts, so I can make it fit with my schedule.”

Rachel Ryan

Business Major / Jordan, MT

OUR NEW SOFTWARE DEVELOPMENT DEGREE

Learn advanced coding languages that are sought after across a full spectrum of career fields. This new program was developed in partnership with the University of Wyoming to fulfill the first two years of UW’s bachelor’s degree in software development.
